

ALABAMA ADVERTISING JUGS

Bill Garland

mtlongleaf@gmail.com

BEWARE OF REPRODUCTIONS THAT ARE ON THE MARKET

Jugs are organized alphabetically by town. Those jugs missing from my collection are identified by the notation, “WANTED”. I’m always interested in purchasing jugs absent from the listing or noted as wanted.

Includes Rarity Guide

Common (Com); Occasional (Occ); Rare (Rare)

Catalog numbers are used to document jugs in my 2009 book “Alabama Advertising Jugs”

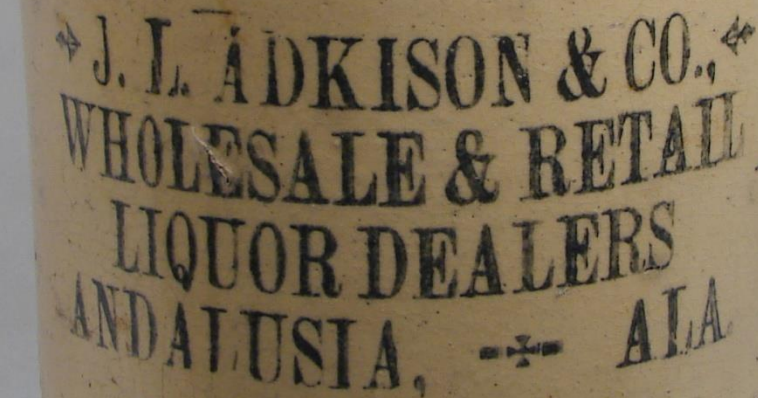

Revised: July, 2023
